

TEACHING PORTFOLIO

A teaching portfolio is a document supplementing the online application and CV. In the portfolio, you present your teaching and pedagogical ideology, as well as development as a teacher, **from the perspective of the position for which you are applying**. In practice, the portfolio is a **document of two to three pages**, structured according to the guidelines below. If needed, you can supplement the text with a maximum of three samples, specifying the reasons for choosing them. The maximum size of the teaching portfolio is 100 Mb.
