2026.06.11

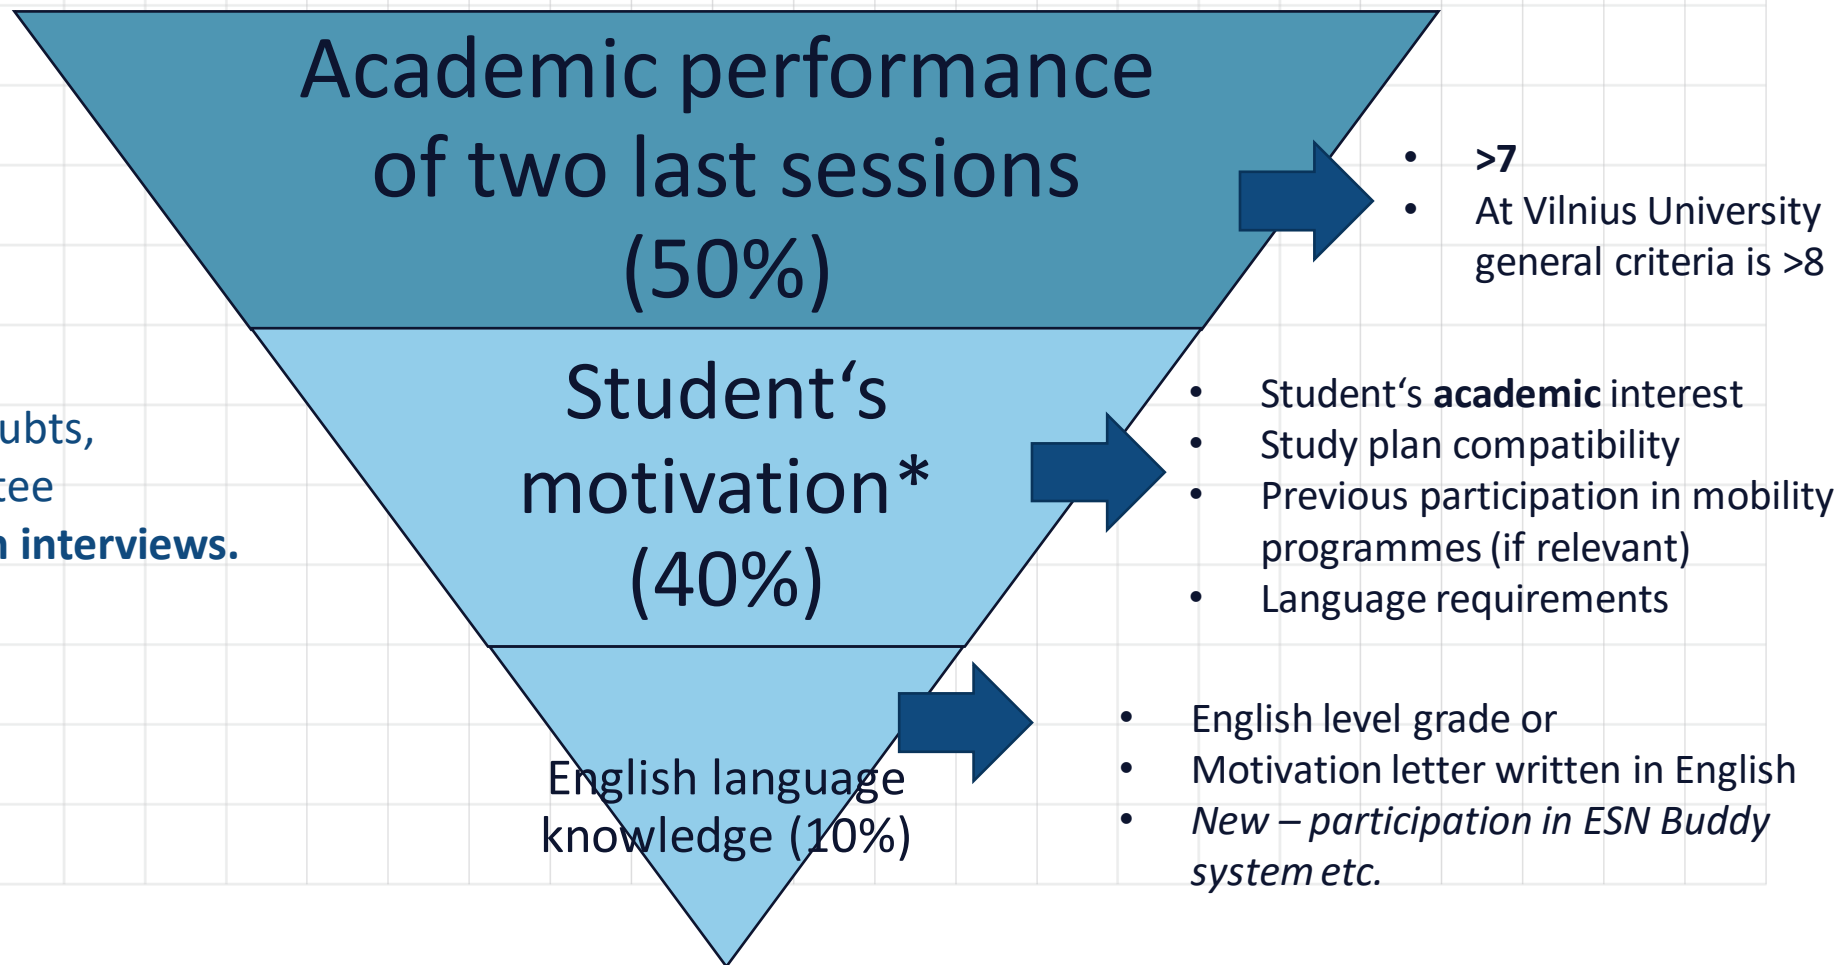

Student Selection for Semester-Long Erasmus+ Exchanges

Vilnius University, Faculty of Mathematics and Informatics

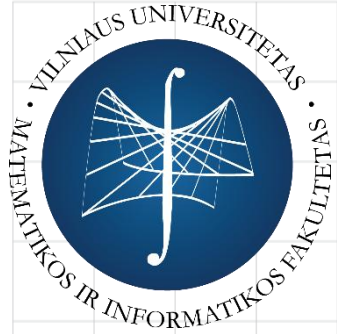

- Number of outgoing students per 2025/2026 year: 51
- Main academic areas:
 - 1) ISCED 061 – Information and Communication Technologies
 - 2) ISCED 054 – Mathematics and Statistics

How we score applications?

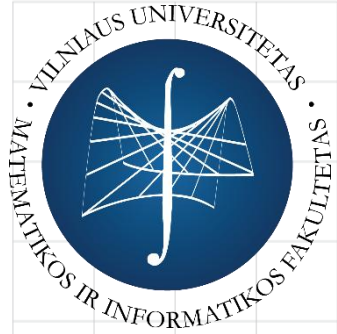

*In case of questions or doubts, Faculty's selection committee may also conduct selection interviews.

Common Challenges

- High demand for popular destinations;
- Matching study plans;
- Balancing student preferences and available quotas

Key Takeaways

- Transparent selection criteria;
- Academic merit-based ranking;
- Focus on study plan compatibility and equal opportunities

Thank you for your attention
