

City of Jyväskylä Employment Services

International House Jyväskylä

A good life consists of a combination of many different areas.

INTERNATIONAL HOUSE JYVÄSKYLÄ

We offer integration and employment services to non-Finnish speakers in the Jyväskylä area. Our goal is to help them live their lives in Jyväskylä.

Services are free and confidential.

We work together with our networks.

Services are for all immigrants e.g.

- Job-seeking customers
- Stay-at-home parents
- Students
- The elderly
- Minors who have arrived in the country without a guardian

INTEGRATION SERVICES

City of Jyväskylä is responsible for the reception and initial integration of quota refugees.

This is how we support integration:

- Organize the reception of refugees who have moved to Jyväskylä
- Guide and advise on everyday matters and, for example, in dealing with authorities.
- Assist clients in office and home meetings related to integration, participation, and well-being, as well as in cooperation meetings with authorities.
- Organize **multilingual social orientation** sessions and other necessary services.
- Collaborate with authorities, other actors, and various associations, organizations, and volunteers.
