**Studies on Work-Integrated Learning in Higher Education**

The following publications were used as data for a scoping review by Tynjälä, P., Virolainen, M., & Virtanen, A. Work-integrated learning in higher education, in A. Toom., K. Pyhältö, L. McAlipine, & J. van Tartwijk (Eds.) The Routledge International Handbook of Learning and Instruction in University Education. Routledge. (In preparation 2025). The search for research literature was conducted utilising databases Web of Science, EbscoHost, and Scopus, and had main focus on empirical studies in the field. The search was conducted in September and November 2024.
