Faculty of Humanities and Social Sciences announces call for

Grants for finalizing dissertation work, 1 to 11 months

Grants can be applied for by all departments’ doctoral students in the Faculty of Humanities and Social Sciences, who have

- a Master’s degree and the right to pursue postgraduate studies officially granted by the Faculty of Humanities and Social Sciences prior to the closing date of this call for applications and
- a signed and updated supervisory agreement.

The amount of the grant is 1 700 euros /month.

University of Jyväskylä employees and persons, who have previously been employed by the University of Jyväskylä by the title of Doctoral Student are not eligible for this grant.

Application

The applicant presents following information in the online application:

1) Information of the applicant

2) Dates of the desired grant period

3) Motivation letter, max. 1 page

4) Research plan
   - shall be filled to a form, which you’ll find on the application form

5) A statement of the dissertation supervisor
   - which states realistically the time table of the dissertation’s finalization
   - approval or recommendation is free of form
**Evaluation and decision**

The applications are evaluated using the following criteria:
- dissertation can be realistically finalized for preliminary examination during grant period
- the research plan is applicable in the research fields of the University of Jyväskylä

Preference will be given to
- applications which clearly ensure that the dissertation work shall be completed for preliminary examination during this grant period
- applicants, who are finalizing their dissertation beside their employment (grant enables a break from employment and focusing on dissertation work)

The dissertation supervisor’s statement on the applicant will also be considered in the decision.

**Decision**

Decision will be made by the Dean of the Faculty of Humanities and Social Sciences. The decision will be sent to all applicants who have sent their application by the end of the application time to the e-mail they have given in the application form.

**Use of funding**

All funding must be used before the end of the year 2020.

**Reporting**

Grant receiver must report the use of funding via electronic form during the next month after the grant period has ended.
