

CENTRE OF EXCELLENCE IN  
BIOLOGICAL INTERACTIONS

## SAB MEETING

**Tvärminne Zoological Station, Hanko, Finland**

**12.–13.5.2014**

### **Preliminary programme outline**

#### **SUNDAY 11.5.**

*Departure from Jyväskylä*

16.00 Departure time for the charter bus from Jyväskylä (Ambiotica, parking place in the front of the “Animal house”, Survontie 9D)

Coffee break

21.30– The charter bus in Tvärminne Zoological Station, Checking in

20.30– Evening snack: Bread and coffee/tea

#### **MONDAY 12.5.**

08.00– Breakfast

*Chair: Liselotte Sundström*

09.00–09.30 Johanna Mappes & Liselotte Sundström: Opening words & overview on the CoE

09.30–09.50 Mikael Puurtinen: Conflict and cooperation in human groups

09.50–10.10 Heikki Helanterä: Consequences of low relatedness in ant societies

10.10–10.40 Coffee break

*Chair: Johanna Mappes*

10.40–11.00 Bibiana Rojas: Diversity in primary and secondary defences in the Wood tiger moth

11.00–11.20 Jonna Kulmuni: Ants as a model system for speciation genetics

11.20–11.40 Tarmo Ketola: Keystone species control the evolution in bacterial communities

11.40–13.00 Lunch

13.00–15.00 Poster exhibition

14.30–15.00 Coffee break

15.00–16.00 Discussion 1: Doctoral students & technicians and SAB members

16.00–17.00 Discussion 2: Postdoctoral researchers and SAB members

16.00– Meeting: Principal investigators and Directors

18.30–21.00 Dinner

21.00–23.00 Sauna

## **TUESDAY 13.5.**

08.00– Breakfast

*Chair: Leena Lindström*

09.00–09.20 Nick Bos: Upping the ante: experimental design and the CoE

09.20–09.40 Dalial Freitak: Trans-generational immune priming in insects: molecular downy for offspring

09.40–10.00 Lotta-Riina Sundberg: Within-species interactions and bacterial virulence in a novel environment

10.00–10.30 Coffee break

*Chair: Jaana Bamford*

10.30–10.50 Matti Jalasvuori: Viruses, drugs and sex

10.50–11.10 Hanna Kokko: Some underwater insights about how sperm and eggs might meet

11.10–12.10 Discussion 3: Principal investigators and SAB members

12.10–13.20 Lunch

13.20–14.20 Discussion 4: Directors and SAB members

14.20–14.35 Closing words

14.35–15.05 Coffee break

15.05 Departure from Tvärminne Zoological Station to Jyväskylä

Coffee break

20.35 Arrival in Jyväskylä (Ambiotica) (estimated time)

## **POST-MEETING PROGRAMME**

## **WEDNESDAY 14.5.**

15.00 Marlene Zuk's talk

Departmental Ecology and Evolutionary Biology seminar, University of Helsinki
