

AGREEMENT ON MASTER'S THESIS PROJECT

By signing this agreement, we confirm that we have discussed the central guidelines of master's thesis supervision, the difficulty level of the chosen topic, the assessment process, and the assessment criteria of master's theses at the Department. We have drafted a realistic schedule for the project, and we have agreed on how to update the schedule later if needed. We have identified well-defined checkpoints that enable evaluating the project's progress and promote finishing the thesis on schedule.

Together we aim at

- a monography
- a joint thesis of 2 students
- a scientific article with an introduction.
