Evaluation of the group's activities

3

START OF GROUP WORK

AS THE WORK PROGRESSES

THE RESULT OF THE GROUP WORK

END OF GROUP WORK

- How does our group work?
- What are our working practices?
- What rules do we have?
- How are our responsibilities divided?

- How does our collaboration work?
- Is our operation efficient and fit for purpose?
- Does anything need to be done differently?
- What is the atmosphere like in our group?
- Does group interaction work?

How do we evaluate the group's final output/finished work?

- How do we evaluate our group's performance
- How did the activities affect the final result?

throughout the

process?

 What did we learn from working as a group?
