

Wisdom Days: Science for Sustainability Transformations

6-8 May, 2026
Jyväskylä, Finland

Organized by:

Supported by:

Main venue: University of Jyväskylä Seminaarinmäki campus (Seminaarinkatu 15), Main building (C) & Seminarium building (S)

Conference website: www.jyu.fi/wisdomdays

Conference programme

Wednesday, 6 May

Pre-conference workshop 1: Generative AI in research
for pre-registered participants
12:00-16:00 at B249 Suure, JYU Library Lähde (B)

Pre-conference workshop 2: Flow with Nature
for pre-registered participants
13:00-16:00 outdoors, meeting at Paja (I)

No program
16:00-17:30

Finnish sustainability research community networking
by invitation
16:00-19:00

Networking and mingling for early-career researchers
for pre-registered participants
17:30-19:00 at Seminarium S212

Welcome reception & networking with stakeholders
Registration open
19:00-21:00 at Main building (C) lobby

Thursday, 7 May

Registration and info desk opens
8:30 at Main building (C) lobby

Welcome words
Keynote 1, Rauna Kuokkanen
9:00-10:10 at Main building C1

Coffee break
10:10-10:40 at Main building (C) lobby
3 unfacilitated, open discussion tables - see discussion themes on the website

Parallel sessions / workshops A1-A6
10:40-12:00

A1 Theoretical and Conceptual Expansions in Transitions	A2 Rethinking Growth and Sufficiency for Transformations	A3 Human-Animal Relations and Multispecies Perspectives	A4 Nature Positive Management and Biodiversity	A5 workshop	A6 workshop
Room: Main building C1	Room: Main building C2	Room: Seminarium S212	Room: Main building C5	Room: Outdoors or Paja (I)*	Room: Seminarium S204
<p>Chair: Miikka Salo</p> <p>Wisdom-ing: A Relational Way for Transformations in the Metacrisis (Jessica Böhme)</p> <p>Exploring the role of wealth (in)equality in socioecological transformations (Lotta Staffans)</p> <p>Tracing Neoliberalism in Finnish Biodiversity Policy: Policy Entrepreneurs and Helmi Habitats Programme (Oskari Hakala)</p> <p>Accepting the Inevitable: Defining and conceptualizing failures as inherent to sustainability initiative (Raakel Vuojolainen)</p> <p>A mechanistic framework for integrating ecological, psychological, and social scientific knowledge to enhance sustainability transformations (Tuukka Kaidesoja)</p> <p>Paradigms of well-being: content analysis of Finnish governmental programs in 1983-2023 (Annika Lonkila)</p>	<p>Chair: Kimmo Aho</p> <p>Consumption, Biodiversity, and Sustainability Transitions: Insights from Latour's New Climatic Regime (Maria Pecoraro)</p> <p>Challenging everyday consumerism and supporting sufficiency with a programme for 'sustainable life' (Katri Weckroth)</p> <p>Finnish degrowth movement as an everyday utopia – doing sustainability transformation through sufficiency consumption practices (Inka Nieminen)</p> <p>Practicing Ethical Sufficiency: Evidence from a community in Ecuador (Heidy Montero-Teran)</p> <p>Governing the Twin-Transition: the Interplay of Technology and Sustainability in Digital (Circular) Economy Regulations (Beata Mäihäniemi)</p> <p>From Illbeing to Wellbeing: Exploring Sufficiency in Food Consumption (Kaisa Kurki)</p>	<p>Chair: Venla Leppilampi</p> <p>Advancing animal welfare literacy for transforming animal-based services (Anna-Mari Rimpipi)</p> <p>Troubled spaces for multispecies activities: Addressing issue of human-dog activeness and wellbeing formation in urban public spaces and policies (Aija Siiriäinen)</p> <p>Was it Truly Multispecies? Reflections on Ethnographic Encounters with Ticks in Finland (Alicja Staniszweska)</p> <p>Coexisting with wildlife: How public perception and media shape hunting narratives in Finland (Maria Perkkola)</p> <p>Anthropogenic changes in forests: Linking wildlife, human, and ecosystem well-being (Saija Vuorenmaa)</p>	<p>Chair: Satu Aavanranta</p> <p>Approaches to Operationalizing Nature Positivity in Agriculture and Forestry (Anna Repo)</p> <p>Convergence of biodiversity enhancement and regenerative development (Anu Veijalainen)</p> <p>Natura 2000 in a warming EU: Need and capacity for dynamic management of protected areas (Jon Brommer)</p> <p>Harnessing biodiversity impact assessment for strategic management (Aija Hokkanen)</p> <p>Development of biodiversity reporting framework for business and its empirical analysis (Marileena Mäkelä)</p> <p>Wetland Restoration as a Strategic (Eco)logical Defense Buffer (Juho Toppari)</p>	<p>Title: Exploring more-than-human relations through creative and embodied methods of applied drama</p> <p>Team: Anna Lehtonen, Viola Hakkarainen</p> <p>Keywords: applied drama, more-than-human, education for planetary wellbeing, forum play</p> <p>See full description on the website.</p> <p><i>*Outdoors; meeting in front of the Paja building (I). In case of rain, in the Paja building.</i></p>	<p>Title: Co-creating sustainability and nature well-being through action – How to create a strong sustainability forest management plan?</p> <p>Team: Anu Laakkonen, Tuomo Takala, Hannes Pasanen, Katri Rusanen, Mirikka Rovamo</p> <p>Keywords: forest management plan; co-creation; sustainability transformation; strong sustainability; decision support</p> <p>See full description on the website.</p>

Lunch break
12:00-13:00
You'll find several restaurants on campus - see details on the website

Keynote 2, Christian A. Klöckner
13:00-14:00 at Main building C1

Coffee break

14:00-14:40 at Main building (C) lobby

3 unfacilitated, open discussion tables - see discussion themes on the website

Parallel sessions / workshops B1-B7

14:40-16:20

B1 Governance and Management Perspectives for Transformations	B2 Circular Economy and Consumer Behavior in Transition	B3 Nature Connection	B4 Approaches to Biodiversity Conservation	B5 Sustainability Education for Nature-Positive Futures	B6 workshop	B7 workshop
Room: Main building C1	Room: Main building C2	Room: Main building C4	Room: Seminarium S212	Room: Main building C5	Room: Outdoors or Paja (I)*	Room: Seminarium S204
<p>Chair: Annika Lonkila</p> <p>Siloed approaches to the sustainability transformation - consequences for democracy and the dynamics of sustainability conflicts (Samu Salonen)</p> <p>Antifraile decision-making to encourage policymakers towards a paradigm shift for sustainability transformations (Babooshka Shavazipour)</p> <p>Preferences and trade-offs in forest management: family forest owners' willingness to pay for environmental benefits (Maria Triviño (Pihla Kortesalmi))</p> <p>Bridging social-ecological-technological system and multispecies justice for sustainability transformations (Venla Isomäki)</p> <p>From exploring alternatives to shaping policies: Advancing sustainability transformations through co-design (Satu Lähteenoja)</p> <p>Voices from the Margins: Counter Accounts in the Face of Impact Investment (Johanna Lähteenmäki)</p> <p>Participatory rights and the social sustainability of EU's green transition (Minna Pappila)</p> <p>Different understandings and practices of "water resilience" in flood risk and river basin management (Vilma Ristikangas)</p> <p>Approaches to meet the EU's Nature Restoration Regulation in a Finnish boreal forest landscape (Kyle Eywindson)</p>	<p>Chair: Raakel Vuojolainen</p> <p>Domestic vs. imported food: How country of origin shapes perceived environmental impact and import attitudes (Dorothea Meyer)</p> <p>Reshaping Consumption Routines: A Longitudinal Study of Household Food Waste (Andrea Králiková)</p> <p>Museology of waste: What a lump of grease found in the sewers can do when it's displayed in a museum? (Anna-Kaisa Koski)</p> <p>Circular, community-based approaches to waste management as grassroots green skills in the UK (Helen Holmes)</p> <p>Everyday activism in circular society: stories of collective transformation (Eerika Heinonen)</p> <p>Harnessing Technology Use Value for Pro-Environmental Behavior (Juuli Lumivalo)</p> <p>Circular, safe and economically viable? Barriers to sustainable aquatic food production in Europe (Isabell Storsjö)</p>	<p>Chair: Linda Majander</p> <p>Nature needs eudaimonists, not hedonists (Joha Järekarri)</p> <p>Multispecies biodiversity actor network and relations from the perspective of Finnish farmers and farm advisors (Tiia Malka)</p> <p>Act with Nature (AWN): A Nature-Based Intervention to Promote Planetary Well-Being – A Randomised Controlled Trial (Jane-Veera Paakkolanvaara)</p> <p>Nature-Based Interventions for Pro-Environmental Behaviour and Well-Being: A Scoping Review (Julija Chichaeva)</p> <p>The Emergence of Life-Centred Systems (Raisa Uljas)</p> <p>Sag mir, wo die Blumen sind? Plants, Soil, and the Material Grounds of Adaptation Among Ukrainian Refugees in Finland (Elena Bogdanova)</p> <p>Envisioning human-nature relationships in the Wadden: an embodied, arts-based approach for exploring relational, more-than-human futures (Jay Marisca Gietzelt)</p>	<p>Chair: Kaisa Mustajärvi</p> <p>Frames and paradigm shifts of biodiversity conservation for transformation (Anni Arponen)</p> <p>Nature irreplaceability as a systematic basis for network level conservation decisions (Santtu Kareksela)</p> <p>Situated Biodiversity and Multispecies Cohabitation in Urban Spaces (Satu-Emilia Myllymäki)</p> <p>From transformative pledges to policy realities: Knowledge co-production in Finland's Biodiversity strategy preparation (Sonja Nielsen)</p> <p>Envisioning multispecies futures (Satu Aavanranta)</p>	<p>Chair: Saara Vauramo</p> <p>Planetary good life as an aim of education (Raili Keränen-Pantsu)</p> <p>Experimenting transformative higher education pedagogies to promote planetary citizenship: Co-creation of a course on education for global sustainability (Tiina Kontinen)</p> <p>The Engaged University Approach for Sustainability Transformation: A Case Study from Cyprus (Angelina Korsunova)</p> <p>Transformative education in Nature Based Solutions (NBS) and biodiversity – approaches of eNaBIS EU/Horizon project and UEF Living Lab (Elina Oksanen)</p> <p>Sustainability skills - environmental adult education in the time of ecological reconstruction (Elias Pielikko)</p>	<p>Title: Envisioning planetary inclusion</p> <p>Team: Silja Holma, Veera Korhonen</p> <p>Keywords: planetary inclusion, interconnectedness, experimental, dialogue, coexistence</p> <p>See full description on the website.</p> <p><i>*Outdoors; meeting in front of the Paja building (I). In case of rain, in the Paja building.</i></p>	<p>Title: Legal Designing Sustainability</p> <p>Team: Sade Mäntylä, Nina Toivonen, Sampo Mielityinen</p> <p>Keywords: legal design, just sustainability, inclusion, systemic design</p> <p>See full description on the website.</p>

Transition time

Poster session

16:30-17:40 at Main building (C) lobby

See poster details on the website

No program

17:40-18:30

Conference dinner

18:30-20:30 at Agora (Mattianniemi campus)

Conference party

20:30-23:00 at Agora (Mattianniemi campus)

Afterparty

from 23:00 at Freetime (downtown)

Friday, 8 May

Registration and info desk opens
8:30 at Main building (C) lobby

Parallel sessions / workshops C1-C7
9:00-10:20

C1 Transformations in Forest Systems	C2 Business, Actors, and Agency in Transformations	C3 Sustainable Business for Sustainable Futures	C4 Alternative Learning and Knowing for Change	C5 Co-living in More-than-Human Worlds	C6 Workshop	C7 Workshop
Room: Main building C1	Room: Main building C2	Room: Main building C5	Room: Main building C4	Room: Seminarium S212	Room: Paja (I)	Room: Seminarium S204
<p>Chair: Liia Raippalinna</p> <p>ABM for sustainability transformations in a forest social–ecological system (Jaakko Litmanen)</p> <p>Leveraging strong sustainability across the Finnish forest sector (Kaisa Raatikainen)</p> <p>Practice theory beyond the human: sustainability transition in forest management in Finland (Sirpa Tenhunen)</p> <p>Heterogeneity in Stakeholder Expectations on Ecological Responsibility of the Finnish Forest Industry (Maria Nyström)</p> <p>Biased understandings of the others on forest sustainability (Annukka Näyhä)</p>	<p>Chair: Janna Jokela</p> <p>Companies’ political agency for sustainability: A problematizing review of Corporate Political Activity and Political CSR literatures (Maija Lumme)</p> <p>Challenging Dominant Paradigms: Sustainable and Responsible Leadership in Advancing Transformations (Henna Väätäinen)</p> <p>Strategic Moves in Climate-Oriented Shareholder Activism: A Decade of Engagement with U.S. Oil and Gas Firms (2013–2022) (Atalay Yavan)</p> <p>Transforming Adaptation Pathways: Intergenerational agency and geographic inequalities in island responses to sea level rise (Quivine Ndomo)</p> <p>Envisioning pathways towards circular agriculture: a backcasting approach for exploring farm trajectories in Finland and The Netherlands (Jeroen Poelert)</p>	<p>Chair: Emma Nykänen</p> <p>Green claims and harvesting realities: how do investment funds use Finland’s forests? (Daniel Burgas)</p> <p>Value creation archetypes of carbon management business (Emma Nykänen)</p> <p>Exploring food value chain actors' agency and responsibility in addressing biodiversity decline (Irene Kuhmonen)</p> <p>The role and responsibility of businesses in addressing overconsumption (Milla Sarja)</p> <p>Towards critical realist marketing as a discipline curbing overconsumption and -production (Laura Forsman)</p> <p>Values as guiding principles for outdoor recreation entrepreneurs (Tero Viljanen)</p> <p>Navigating CSR Paradoxes in Microenterprises: Environmental, Social, and Economic Trade-offs (Anna-Mari Simunaniemi)</p> <p>Understanding how to protect the Baltic Sea: An assessment of conceptions among business organizations (Jean-Pierre Imbrogiano)</p> <p>An Unmade Green Production: Understanding Industry Realities for Sustainable Film Production (Kaisa Astikainen)</p>	<p>Chair: Elias Pielikko</p> <p>What is Finnish teacher education and social work education for in the age of polycrisis? Alternative responses to modern-colonial habit-of-being (Linda Majander)</p> <p>If I don’t do this who will? A narrative approach to teachers' change agency towards sustainable future (Raili Keränen-Pantsu)</p> <p>The Planetary Food Game as a Pedagogical Tool in Medical Education: Advancing Transformative Learning in Planetary Health (Saska Tuomasjukka)</p> <p>Enablers and constrains of sustainability education in the interfaces of nonformal and formal education (Tiia Kontkanen)</p> <p>Evolution in Action –project: How to impact society through science and art education? (Carita Lindstedt)</p> <p>Skills vs Information: Balancing the roles of scientific and experiential knowledge with 1) Artistic Research and 2) Indigenous Research Methodologies (Raisa Marjamäki)</p> <p>Museums as facilitators of cultural sustainability transformation in Finland (Kristiina Korjonen-Kuusipuro)</p>	<p>Chair: Satu Aavanranta</p> <p>Relational biodiversity care in Finnish production forests (Jelena Salmi)</p> <p>Living together with grandfather volcano: Changing our relationship to the more-than-human by changing our research paradigm and lens for inquiry (Zita Tedjokusumo)</p> <p>UnWorlding and reWorlding: Re-imagining ‘the Human’ in a Multispecies World (Corinna Casi)</p> <p>Integrating human and ecological values for urban green infrastructure connectivity (Maria Hällfors)</p> <p>More-than-human Urbanism in Practice: Towards a Process-oriented Framework (İdil Gaziulusoy)</p> <p>Modelling the effects of wind turbines in Finnish forested social-ecological system (Pierre Moulin)</p>	<p>Title: Living with the tensions of sustainability transformations: An experiential approach using embodied ways of knowing</p> <p>Team: Miia Toikka, Kirsi Hakio, Essi Huotari, Jari Autioniemi</p> <p>Keywords: embodied intelligence, embodied methods, sustainability tensions, co-creation</p> <p>See full description on the website.</p>	<p>Title: Finding Your Media Voice to Amplify Sustainability Transformations</p> <p>Team: Sini Holopainen, Susanna Lehvävirta</p> <p>Keywords: media, sustainability transformation, communication</p> <p>See full description on the website.</p>

Coffee break

10:20-10:50 at Main building (C) lobby

3 unfacilitated, open discussion tables - see discussion themes on the website

Parallel sessions / workshops D1-D7

10:50-12:10

D1 Capacities for Transformations	D2 Energy and Twin Transitions: Institutional Perspectives	D3 Youth Activism and Active Citizenship	D4 Biodiversity Accounting for Nature-Positive Futures	D5 Workshop	D6 Workshop	D7 Workshop
Room: Main building C1	Room: Main building C5	Room: Main building C4	Room: Seminarium S212	Room: Outdoors or Paja (I)*	Room: Seminarium S204	Room: Seminarium S203
<p>Chair: Corinna Casi</p> <p>Renewing Food Education in Early Childhood through Eco-Social Thinking: Towards Planetary Well-Being (Aila Johanna Naalisvaara)</p> <p>Energy geopolitics, an opportunity or new vulnerability for sustainability transformations? (Ratih D. Adiputri)</p> <p>Unpacking tensions between science education, technology, and society (Sara Komulainen)</p> <p>Sustainability for whom? Pluralism and Power in Sustainable Transformations (Emilia Ganslandt)</p> <p>Benchmarking Capacities, Skills and Methods for Inclusive Engagement of Vulnerable Groups in Climate Adaptation: Evidence from the FairFuture Project (Seona Candy)</p> <p>Entangling with More-than-Human Worlds: Posthuman Pedagogies for Youth Engagement (Yingying He)</p>	<p>Chair: Emma Nykänen</p> <p>A scoping review of practices of green and digital transition (twin transition) (Anni Tuomaala)</p> <p>Bridging Renewable Deployment and Biodiversity: A Finnish Study of Shutdown-on-Demand (Edward Kluen)</p> <p>Multi-Level Governance and Regional Pathways to the Just Twin Transition in Europe (Giga Mukutadze)</p> <p>Uneven landscapes of the green transition: Land-use intensity and municipal burdens of wind power in Finland's energy future (Hanna Paulomäki)</p> <p>Institutional Complexity of Sustainability Transitions: Insights from Energy and Circular Economy Transformations (Nina Tynkkynen)</p> <p>Institutional complexity for accelerating sustainability transitions: insights from the offshore wind energy transition in Finland (Thaysa Portela de Carvalho)</p> <p>Clean transition investment failures: the role of stakeholder suspicion and distrust (Outi Behm)</p>	<p>Chair: Katri Savolainen</p> <p>"We must act, now!": Youth transformative and historical agency on the ecological crisis (Paula Ahola)</p> <p>Defining youth sustainability agency in the 21st century: a systematic literature review (Liisa Mäkinen)</p> <p>Climate citizenship as a solution to climate change (Minna Havukainen)</p> <p>Fostering Youth Engagement in Climate Action through Immersive Virtual Reality: A Mixed-Methods Study of "Magical Forest VR" (Julia Cartow)</p> <p>Environmental Youth Activism through Ecofeminist lenses (Mari-Anne Okkolin)</p> <p>The Planetary Garden Field Station – Co-creative and Intergenerational Initiative for Sustainable Future (Sofia Laine)</p>	<p>Chair: Saara Vauramo</p> <p>A quantitative examination of biodiversity metrics in the context of biodiversity footprint assessment (Essi Pykäläinen)</p> <p>Biodiversity footprinting is proceeding – but what kind of pioneers are the frontrunners? (Päivi Pelli)</p> <p>Global offsetting of the outsourced biodiversity footprint of consumption (Hanna Kalliolevo)</p> <p>The carbon and biodiversity footprint of Finnish transportation system (Venla Leppilampi)</p> <p>Assessing the empirical knowledge base behind biodiversity footprint characterization factors (Vilma Sandström)</p> <p>Value-transforming financial, carbon and biodiversity footprint accounting (Sami El Geneidy)</p>	<p>Title: Slow Embodied listening to the Earth</p> <p>Team: Hanna Ellen Guttorm, Alyssa Coffin</p> <p>Keywords: listening, slowness, embodiment, Earth</p> <p>See full description on the website.</p> <p><i>*Outdoors; meeting in front of the Paja building (I). In case of rain, in the Paja building.</i></p>	<p>Title: Placemaking Maptivity - A serious game for sustainable urban development</p> <p>Team: Tamara Hajdu, Oula Terttunen</p> <p>Keywords: sustainable communities, urban planning, serious game</p> <p>See full description on the website.</p>	<p>Title: Inclusive planning process for Nature-Based Solutions: a role-play approach to sustainability education</p> <p>Team: Oskari Ylikoski, Elina Oksanen, Tiina Ynnilä</p> <p>Keywords: Nature-Based Solutions, biodiversity, education, systems thinking</p> <p>See full description on the website.</p>

Lunch break

12:10-13:10

You'll find several restaurants on campus - see details on the website

Parallel sessions / workshops E1-E6

13:10-14:30

E1 Decolonial and Just Transformations	E2 Professions and Workplaces in Transition	E3 Collective Action, Art and Agency	E4 Ways of Living in Planetary Well-being	E5 Regenerative Business and Sustainable Economic Futures	E6 workshop
Room: Main building C1	Room: Main building C2	Room: Main building C4	Room: Seminarium S212	Room: Seminarium S204	Room: Main building C5
<p>Chair: Heli Kukkurainen</p> <p>Just Sustainability: Strategies for Diversifying, Decolonizing, Deglobalizing (Bonn Juego)</p> <p>Affectively Just Sustainability Transitions (Katja Tiisala)</p> <p>Exploring tensions in pluriversal sustainability transformations: Empirical insight from Ecuador (Riina Bhatia)</p> <p>Green Competition and Its Losers: Indigenous Rights in the Arctic Non-Transition (Sade Mäntylä)</p>	<p>Chair: Linda Majander</p> <p>Deep Leverage Points in Healthcare: Reframing Human–Nature Relationships for Systemic Change (Charlotta Holmström)</p> <p>Sustainability Competencies in the Workplaces: A Systematic Review (Lu Fu)</p> <p>The sustainability agency of civil servants: navigating tensions of sustainability transformations within the politico-administrative system (Miia Toikka)</p> <p>Work as a deep lever in socioecological transformations (Eeva Houtbeckers)</p> <p>Promoting the sustainability transition: Advancing political and structural action in social work (Satu Ranta-Tyrkkö)</p>	<p>Chair: Anna-Kaisa Koski</p> <p>When civil society actors meet citizens on the low-carbon energy turf: Insights for enacting everyday energy citizenship in Zambia (Felix Dade)</p> <p>Unlocking Flexibility Through Community: Insights from a Qualitative Study of Swedish Energy Communities (Oula Terttunen)</p> <p>Voicing a Landscape –Negotiating Place-based Belonging through Multimodal Recalibration of Aesthetic Sensibilities (Teemu Lehmusrusu)</p> <p>Toward transformative planetary agency: science-integrated community art as a catalyst for sustainability transition (Sonja Salomäki)</p> <p>The Heritage Futures Network of Museums as a Catalyzer for Sustainability Transformation (Pauliina Latvala-Harvilahti)</p> <p>Co-creating change in heritage futures workshops (Janna Jokela)</p> <p>Bridging the divide: shared cultural meanings of “eating well” (Tanja Niemi)</p>	<p>Chair: Corinna Casi</p> <p>Changing the Way We Live: Ecological Renouncing as Responsible Relational Action (Taina Kalliokoski)</p> <p>Proposing Wisdom Forests as Support for Sustainability Transformations (Hendrik Stark)</p> <p>Connection with Nature and Well-Being in the Roma Communities (Ionut Cioarta)</p> <p>The voice of rural areas in Guinea, West Africa. How do rural development projects influence the communities and their future visions? (Tanja Lumme)</p> <p>From Metacrisis to Flourishing: Leveraging Positive Psychology for Resilience and Regeneration in Times of Collapse (Philippe Arnez)</p> <p>Theories of human wellbeing within planetary wellbeing (Liia Raippalinna)</p>	<p>Chair: Claudia Kovács</p> <p>Leading sustainability transition in bioeconomy with challenge-driven open innovation (Anna Aalto)</p> <p>Regenerative organising – can big companies be regenerative? (Anna Härrri)</p> <p>Bringing organizations into the more-than-human world through perceptual expansions (Heini Salonen)</p> <p>Ecologically unequal exchange as a structural barrier to the circular economy (Tiina Häyhä)</p> <p>Transitions towards regenerative strategies in business (Kirsi Salonen)</p> <p>Bridging Innovation and Justice: Exploring Contextual and Ethical Dimensions of Climate Innovation for Sustainability Transformations (Masoud Radvar)</p> <p>From contingency management to transformative climate risk adaptation? - Analysis of private sector’s agency in navigating complex climate risk realities (Päivi Tikkakoski)</p>	<p>Title: An Ocean of Webs Drowned In Every How</p> <p>Team: Ni Lin</p> <p>Keywords: participatory action, decolonization, ocean, sustainable transition</p> <p>See full description on the website.</p>

Transition time

Keynote 3, Jörn Fischer
 Goodbye words
14:40-15:50 at Main building C1

Transition time

Post-conference campus tour
for pre-registered participants
16:10-17:55 outdoors, meeting at Main building (C) lobby
