

Student organizations

27.8.2026

Time table

- Introduction of student organizations
- Meeting with programme coordinators

Student Union JYY

- is students' own organisation
- each degree student is a member of JYY
- represents its members and advocates students' interests and rights in society
- services
 - [Kortepohja student village](#) which houses approximately 1700 students
 - [Student newspaper Jyväskylän ylioppilaslehti](#): available in several locations around the Campus area (for instance, at the Library) and on the Internet
 - Various social and free-time activities, such as movie nights, concerts, club nights, flea markets, theme weeks, and sports events.
- Specialist in International Affairs e-mail: kv-asiantuntija@jyy.fi
- [Student Union and subject associations | University of Jyväskylä](#)
- <https://jyy.fi/en/>

Subject associations

- bring together students sharing the same study subject or field
- subject association membership is usually limited to the students majoring in a specific subject or field
- joining the subject association is voluntary
- organise various events and activities for students, create opportunities to influence and pursue shared interests, offer a variety of benefits, also represents its members
- operate in close cooperation with the Student Union JYY
- Association activities and hobbies - Jyväskylän yliopiston ylioppilaskunta

Subject associations in the Faculty of Mathematics and Science

- Syrinx ry
 - Master's Degree Programme in Aquatic Sciences
 - Master's Degree Programme in Ecology and Evolutionary Biology
- Radikaali
 - Master's Degree Programme in Chemistry and Analytics for Circular Economy (CACE)
 - Master's Degree Programme in High Performance Computing (HPC), Specialisation in Chemistry
- Ynnä ry
 - Master's Degree Programme in Physics
 - Master's Degree Programme in High Performance Computing (HPC), Specialisation in Physics
 - (RADMEP+)
- Nano ry
 - Master's Degree Programme in Nanoscience (Nano)
- (Tiltti ry for students of statistics)

Syrinx ry

Student organization for
the students of Biological
and Environmental
Sciences in JYU

What?

- Founded in 1971
- A student association, from students to students
 - 13 students in the board, and 9 officers
- Between the university and students
- We organize events, such as sitsfests and bingos, but also wellbeing events and weekly sport sessions
- Taking care of students rights and overseeing that they happen
 - For example, that your course results come in time

@Venla Kaukokari

Why?

- Easy way to network with fellow (Finnish and international) students
- You get to see and take a part in Finnish student and freetime culture
- Balance between studying and free time
- You get to order overalls from us
- Membership benefits to many different places
 - Bars, restaurants
 - Sports stuff
 - Even opticians!

How?

- Come meet us at our association room Koppi (YAA202.3, Syrinx ry) on Tuesday 1st from 12 to 14 and Thursday 3th from 14-16
 - You can join as a member, and try on the overalls
- Membership costs 20 € for a degree student (7 years)
- You get our patch and membership card
 - You can join our events & get the discounts, if you are a member
- Student overall order form is open until the 20th of September
- More information about us on our website, www.syrinx.fi

Jyväskylän yliopiston kemistit ry
-
Chemistry student association

- The board's task is to represent the interests of the students and see that degree regulations are met.
- Alongside official matters we run the association magazine, events, merch sales etc.
- You can identify chemistry students from our white overalls, with our red logo at the back.

Koppi

- Club room
- Room YK135, lowest floor of chemistry building
- Studyhelp, board games, relaxing between lectures

Pömpeli

- Open at the first wednesday of every month, at 11:45-12:45. Next time 2.9.
- Labcoats, safety glasses, Radikaali merch, overalpatches.
- Join Radikaali by paying for membership
- top floor lobby of chemistry building

Upcoming events

@Lounaispuisto

28.8. Tutor picnic

@Lounaispuisto

September:

1.9. Start of the season Revo-tuesday @Revolution!

3.9. City sightseeing (Loimu)

8.9. Jyväskylä couch bars-tour

17.9. Fuksiaiset

22.9. Fuksi sitsfest

25.9. The Researchers' night

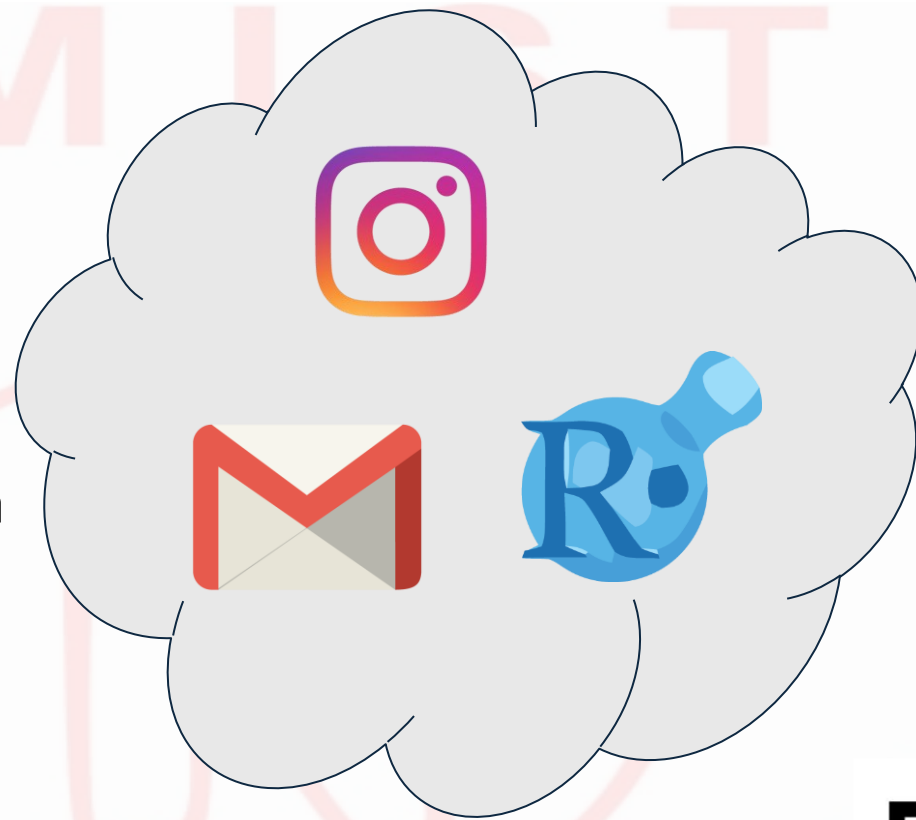

29.9. Football tournament

INTELLECTUAL

YNNÄ

EDUCATION

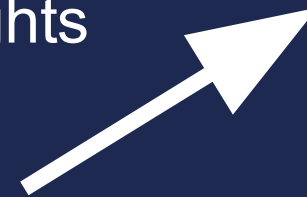

What is Ynnä ry?

- Student association
- Mathematics, physics, statistics, technology for safety and computer science
- Founded in 1966
- Approximately 500 student members
- Operated completely by students

What do we do?

- Promotion of the interests of students
- Collaboration with companies and trade unions in our fields
- Informing about things important to students
- Weekly exercise sessions and a runclub
- Book club and crafts club
- Ynnä band
- Events... so many events
- Sauna evenings, parties, sitsfests, company visits, sport tryouts, hikes, theatre visits, board game nights and so much more
- Information about all the upcoming events here

Student spaces

- Potentiaalikuoppa
(Potential well) in
Ylistö in physics
department (YFL)
behind the 2nd floor
lobby stairs
 - Shared with
Fysikkokerho
(Physicists' club)
- Another in Agora
(Ag B336.1)
 - Shared with Tiltti ry
(statistics organization)

How to join and why should you?

- Ask a member of our government e.g. in our student spaces or at an event
- 5€ for membership
- Access to Ynnä's events, free coffee at both of our student spaces, chance to buy Ynnä's overalls, many different benefits!

- Instagram: @ynnajkl
- Facebook: Ynnä ry
- Web page: <http://ynna.fi/>
- Telegram: <https://t.me/ynnajkl>
- Discord: <https://discord.gg/g3Hhykj>
- Email: kv@ynna.fi
 - the representative of international affairs
puheenjohtaja@ynna.fi
 - the chairman

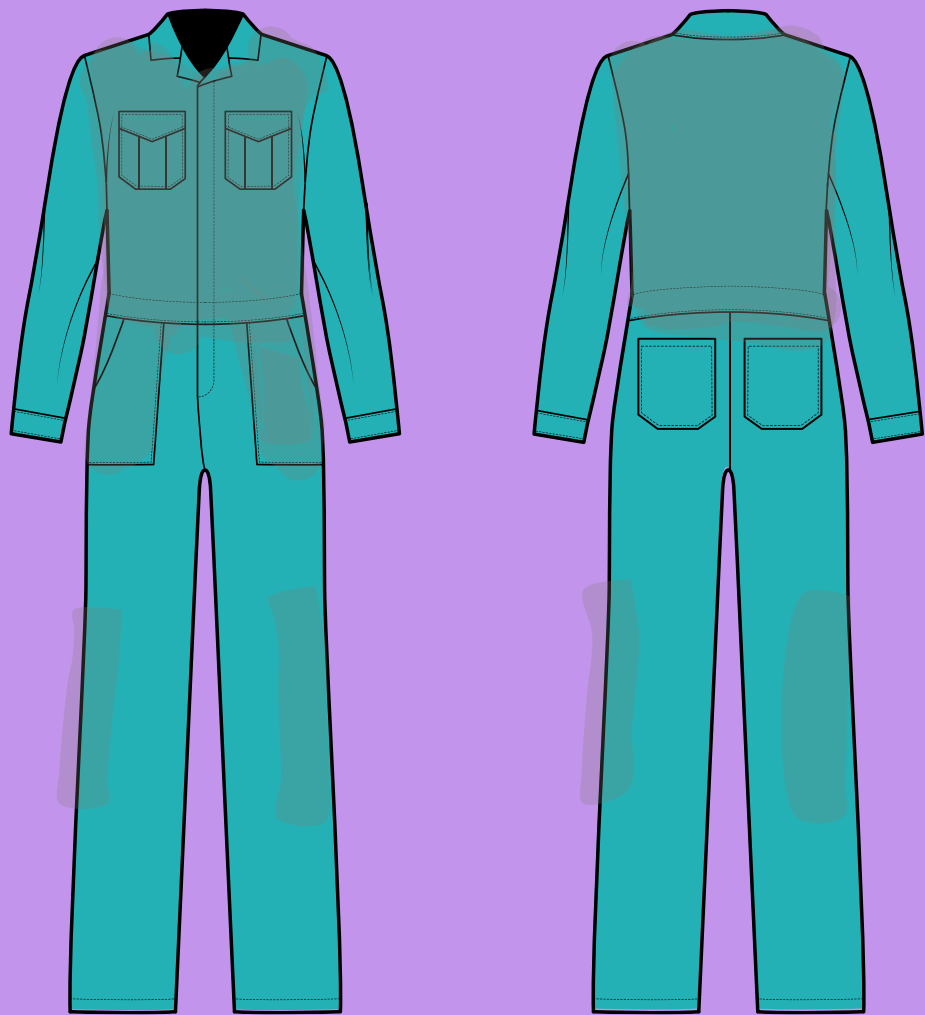

NANO RY

NANO

WHAT IS NANO RY?

- Nano ry is the official student association for all students pursuing studies in **nanoscience**.
 - You **can** join us even if you do not study in the nanoscience degree programme directly
- Our vibrant **community** is made up of students from a variety of fields, including nanobiology, nanophysics, and nanochemistry.
- We are dedicated to supporting our members through a range of **social, academic, and advocacy activities**.
- Whether you're an undergraduate just starting out or a postgraduate diving deep into research, Nano ry is here to connect, inspire, and support you throughout your academic journey.

**We take care of the
overall orders each
Autumn!**

**More information coming
later, stay tuned**

www.nanory.fi

Join the association

You can join by first filling up the membership form: <https://forms.gle/qjeeLC3pqbxasa4WA>. After filling, pay the membership fee (5€ for undergrad, 10€ for PhD) to the associations bank account.

Account number / IBAN: FI61 7997 7993 4821 11

BIC: HOLVFIHH

In the message field write the following: "Jäsenmaksu, [your first name and last name]."
